Managers NOTES

Good afternoon everybody and welcome to another game where we can have quite a say in the promotion race.

Bolton are pushing very hard for one of the top spots and at this time of the season its nice for us to come up against these teams where there is so much at stake. This will certainly give us and our youngsters a good test to see at close hand what it takes to be up around the promotion places.

A big boost for me over the last couple of weeks has been the signing of new contracts of **Shaun Taylor** and **Mel Gwinnett**, they have both worked extremely hard and well since I have been in charge and I see them both playing important parts for **Exeter City F.C.** in the next couple of sea-

sons. It's the sort of backing from players I need at this stage of the season especially after such an indifferent period at the club.

I would like to welcome the officials and players of **Bolton Wanderers** to St James's Park this afternoon. A club that is stacked in tradition – one of the famous names in football. I'm sure the present staff would love to get promotion this season and get people talking about the present players rather than the past.

Thank you everybody for your support even though we are drawing to the end of another season, I certainly want to finish off the season on a good note – a result today will help that cause.

All the best
JOHN DELVE

Here Today...

WELCOME TO BOLTON WANDERERS

Today we welcome a **Bolton** side currently fighting hard for an immediate return to Division Three after going down last season in the play-offs.

This is of course the first-ever season in Division Four for one of the great names in soccer history. **Bolton** were founded in 1877 as **Christ Church F.C.** and changed to their present name in 1877. They became one of the founder-members of the Football League in 1888, but then had a rather unsettled existence with four short spells in Division Two before the First World War.

Then came a purple patch in the 20's with F.A. Cup wins in 1923, 1926 and 1929 and third place in Division One in both 1920/1 and 1924/5. Though relegated in 1933 they bounced back up again in 1935 and this time stayed in Division One until 1964. During this time they reached the F.A. Cup Final in 1953, losing to **Blackpool** after having midfielder **Eric Bell** injured for much of the game and again in 1958 when they won the trophy after beating the **Manchester United** team that had been decimated by the Munich disaster.

In 1971 they slipped to Division Three for the first time, but they were there for only two seasons and they were back in Division One from 1978 to 1980. They slipped rapidly back to Division Three however and since 1983 they have finished successively 10th, 17th, 18th and 20th there. This landed them in the play-offs in which they lost 3-2 on aggregate to **Aldershot** after extra time.

THIS SEASON

So far this season they have won at **Blackpool**, **Newport**, **Stockport**, **Carlisle** and their only home defeats have been at the hands of **Hartlepool** in September and **Torquay** in January. They did however disappoint their fans recently when dropping valuable home points in a goalless draw with **Rochdale**.

Midlander **John Thomas** in his second spell with them after returning via **Chester**, **Lincoln** and **Preston** is amongst the leading scorers in Division Four and he is likely to be up front with our old friend **Trevor Morgan**.

Ian Callaghan a YTS recruit may also be in the front line while in midfield **Steve Thompson** is a well-established home grown player currently linking up with **Stuart Storer** (ex-Birmingham and Everton), **Gary Henshaw** (ex-Grimsby) and up and coming **Nicky Brookman**.

Mark Came (ex-Winsford) is a goalsnatching defender as he proved against us at **Bolton** with the match-winner in October last and he links up with **Dave Sutton** (ex-Huddersfield) in the centre with **Derek Scott** (ex-Burnley) and **Rob Savage** a one-time **Liverpool** junior who arrived via **Stoke** and **Bournemouth** on the flanks and **Julian Darby** an extra defender in the number 11 shirt. In goal **David Felgate** first played for **Bolton** a decade ago and is back as an ever-present this season with close on 600 games behind him in a career that has taken him to seven other clubs, the most recent being **Grimsby** from whom **Phil Neal** signed him for a reputed £16,000.

RECORD BREAKERS

Abbeyfield residents throughout the country are knitting the world's longest scarf to raise funds for the ITV Telethon – a 27 hour broadcasting marathon on 29/30 May 1988.

The TSW portion will be measured around EXETER ground on 9th April by members of the Territorial Army.

**RECORD BREAKING
KNITTERS**

Over the past few months, residents of **Abbeyfield Houses** throughout the region have been furiously knitting 12" squares to establish an amazing new world record – the longest scarf ever created.

The Scarf is being knitted to raise funds for the **ITV Telethon** – a 27 hour television broadcast over 29/30 May to raise money for charity.

The TSW portion of the scarf will be measured at **Exeter F.C.** on 9th April by members of the Territorial Army and will make a substantial contribution to the final scarf which is expected to reach at least 20,000 ft – enough to go around 20 football pitches.

Abbeyfield residents have met the challenge of knitting the world's longest scarf with enthusiasm – in fact it has been difficult to call a halt in some **Abbeyfield Houses**!

The task of transporting the squares of scarf from all over the region has been undertaken and sponsored by **Tuffnells Parcels Express** who are also supervising the collections nationwide.

Sketchley, the dry cleaners, are also giving a tremendous boost to the funds raised by the **Abbeyfield Scarf**. **Sketchley** are sponsoring a nationwide competition to guess the final length of the scarf and there are £1,000 worth of cameras to be won. Entry forms are available now in over 500 **Sketchley** branches.

If the record is achieved, the scarf has an excellent chance of getting into the *Guinness Book of Records*. The definitive measurement will be carried out by the **Junior Leaders Royal Artillery Regiment** at **Birmingham International Airport** on 14th May with the final measuring ceremony taking place live during the **Telethon** at the end of May. It will also be on display throughout the **Homes '88 Exhibition** at the **National Exhibition Centre, Birmingham**.

The **Abbeyfield/Telethon Scarf** will be put to good use after it has made a significant contribution to the **ITV Telethon**, for it will be divided into useful blankets for distribution to the needy.

The **Abbeyfield Society** is a national charity devoted to renovating or building family sized houses for 7 or 8 elderly people which provide a supportive family atmosphere with privacy, companionship and security. It has over 1,000 **Houses** nationwide.

Bygone Years

THIRTY YEARS AGO

We crashed 9-0 at **Northampton** in a Third Division game on April 12 1958 with four goals scored in the first half and five in the second.

For the record the home scorers were **Tebbut 3, Woan 3, Mills 2** and **Hawkins** and the teams were: **NORTHAMPTON**: Elvy, Claypole, Patterson, Yeoman, Gale, Smith, Mills, Tabbutt, Hawkins, Woan, Fowler.

EXETER: Hunter, Foley, McDonald, Oliver, Stiffle, Wilson, Hill, Calland, Churms, Rees, Dale.

We now slipped below **Gillingham** at the bottom of the table while **Bolton** after a 2-2 draw at **Chelsea** (**Ball pen** and **Gubbins** got their goals) were in mid-table in Division One. On the same day **Bobby Robson** got a hat-trick in **West Brom's** 6-2 win over **Leicester**, but they now had little chance of catching **Wolves** who led them by five points at the top of Division One. In a thrilling Division Three (North) game **Bradford Park Avenue** drew 4-4 with **Hull City** and both **Accrington** and **Gateshead** were involved in drawn games in that Division.

TWENTY YEARS AGO

Goals flowed less freely ten years later on April 13, 1968 when we forced a goalless draw at **Wrexham** to keep us just above **Workington** and **Bradford** at the bottom of Division Four, the teams being:

WREXHAM: Livesey, Ingle, Bermingham, Powell, Showell, Bradbury, Beanland, Moir, Smith (Stacey), Kinsey, Griffiths.

EXETER: Smout, Smyth, Balson, Newman, Harvey, Huxford, Crawford, Banks, Coughlin, Pinkney, Corr.

Attendance: 4,974.

Bolton lost 2-1 at home to **Portsmouth** in Division Two at a time when former England man **Eddie Hopkinson** was in their goal. A defender's own goal was their only scoring success that day. Meanwhile in Division One four famous names were on the scoresheet as **Manchester United** drew 2-2 at **Southampton** to stay top of Division One with **Bobby Charlton** and **George Best** netting for United and **Ron Davies** and **Terry Paine** for the home side.

TEN YEARS AGO

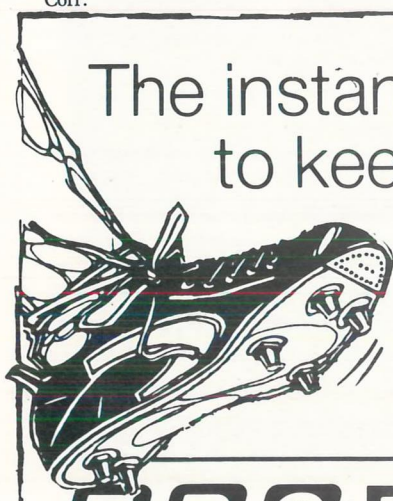

We gained our first away win since mid-October at **Bradford City** on April 15, 1978, goals by **Keith Bowker** and **Tony Kellow** earning us a 2-1 win to lift us to 16th in Division Three, the teams being:

BRADFORD CITY: Downsborough, Podd, Spark, Johnson, Middleton, Fretwell, Dolan, Wright, Cooke, Wood, McNivan.

EXETER: Key, Templeman, Hore, Weeks, Giles, Hatch, Hodge, Kellow, Bowker, Holman, Randell.

Attendance: 4,924.

The home side were on their way to relegation with midfielder **Terry Dolan** having no idea that in ten years time he would be managing them as they operated in the top half of Division Two. **Bolton** meanwhile moved nearer to promotion to Division One with two prolific scorers **Frank Worthington** (2) and **Neil Whatmore** getting the goals in a 3-0 win over **Bristol Rovers**. **Peter Withe** was the **Nottingham Forest** scorer in a 1-1 draw with **Leeds** that kept them on course for the First Division championship.

DEVON & EXETER PREMIER LEAGUE (26th March 1988)

Newton St Cyres 1 v Exeter City 0

After the previous week's fine performance and win against second in the table **Alphington**, we failed to maintain any sort of form with a lack lustre display against third in the table **Newton St Cyres**. A goal two minutes from time virtually killed off any chance of us retaining our Premier League Championship and inflicted our first defeat since September 19th. Playing against a strong gusty wind in the first half we were fortunate to come in at the interval on level terms and only some excellent goalkeeping from **Richard Smeath** kept us in the game. The second half produced a slightly brighter performance although we struggled to play football on the difficult ground conditions, but it was our lack of commitment and work rate from some of our younger players that was the really worrying aspect of this game. I fully understand that players or teams have an off day for one reason or another, but I will not accept lack of effort and commitment. Ability on its own is not enough and when things don't go right you must have a sound base to fall back on and that means rolling up your sleeves and battling for each other to fight your way back into the game. The players were made well aware of my feelings on this matter with a tough training session on Sunday morning and let's hope that there will not be a repeat of this performance.

Team: Smeath, Copping, Hackworthy, Small, Abrahams, Davies, Dugdale, Roberts, Parker, Alphonse, Vinnicombe. Sub Gadson.

Season By Season

1950/51

We had another moderate season again finishing just below mid-table as in the other four post-war seasons. With the number of teams increased by the addition of **Colchester** and **Gillingham** to Division Three (South) we played four more games and picked up three more points than in the previous season. Highlight was a run to the fourth round of the F.A. Cup and a replay with **Chelsea** in which we went down bravely at Stamford Bridge.

They've got to be good to be Ginsters

Ginsters "Cornwall's Pride" Pasties are baked fresh every day in Cornwall.

Only the finest lean beef and fresh vegetables are blended to an original Cornish recipe to give that distinctive Ginsters flavour. The delicious puff pastry is still crimped by hand in the traditional way giving Ginsters their unique homemade appearance.

Insist on Ginsters for the assurance of all that's wholesome, fresh and Cornish.

INTRODUCING THE UNIQUE FX SOLE SYSTEM.

adidas, the worlds leading sports shoe manufacturers, have developed the most advanced and unique sole and stud system yet devised for soccer shoes.

This 100% polyamide bayonet sole unit – the FX system – offers players quick and easy stud changing, total elimination of stud pressure, and a corrosion free light weight sole unit.

The FX system is available on many adidas soccer shoes including the L3000 FX shown below.

Uppers: PU coated leather. Padded tongue and vario lacing. Seven interchangeable FX studs in a new sole configuration, increasing rear foot stability, eliminating stud pressure and reducing weight.
Sizes: 3½-12. Weight: 320g (8½)

DIVISION SCENE

Owing to holiday printing schedules these notes are being written before the Easter games and so we are not commenting on the holiday matches. Suffice it to say that it seems certain that while **Newport** will stay virtually certain to move into the Vauxhall Conference League it is good to know that this brave little club will survive at least for a little time longer after the recent meeting about their future.

The fact that **Lincoln** seem to have an immediate return to Division Four within their grasp should give heart to **Newport** and to any other clubs who lose their Football League place and one wonders whether in due course this upping and downing will be given more credibility by two clubs or even three ultimately moving from Division Four to whatever the Vauxhall Conference League will ultimately be called. Many fans would like it to be entitled Division Five.

Meanwhile at the top end **Steve Bull**'s fourth hat-trick of the season made **Wolves** promotion look more certain than ever and it will be interesting to see whether Steve next season either continues to score prolifically for **Wolves** in Division Three or moves on to a First or Second Division club.

One recent mover from the lower Divisions to Division One was **Chester's Stuart Rimmer**, but though he recently celebrated his arrival at **Watford** with a goal he seems very likely to be in Division Two next season as **Watford** slide towards relegation.

Our neighbours **Torquay** had a shock just before Easter when beaten at home by **Swansea** and both **Swansea** and **Cardiff** look capable of carrying a Welsh flag back to Division Three. Today's visitors **Bolton** also have ambitions in that direction, but one can't discount their Lancashire neighbours **Burnley** either. It is certainly healthy to see both **Burnley** and **Torquay** battling for promotion just a year after their desperate struggle to stay in Division Four last season.

If we were betting however we should probably say **Wolves**, **Scunthorpe** and **Swansea** to go up and **Bolton**, **Burnley** and either **Orient** or **Torquay** to be involved in the play-offs with **Aldershot** from Division Three. If that is the case however they all need to remember that the 'Shots' are play-off experts, having surprised everyone by beating **Bolton** and **Wolves** last season to climb out of Division Four.

Meanwhile after our hard fought goalless draw at **Crewe** a fortnight ago we shall be hoping for one or two more wins this season to end on a confident note ready for next season and a possible move towards the opposite end of the table.
